NAOMI

PHOTOGRAPHS BY DONALD MILNE

Nottingham's Naomi Reid says she owes her naughty side to her Hawaiian mother who was, herself, an actress and a model some years ago. "I have enjoyed my first taste of modelling very much. But eventually I'd like to follow my mum into films," reveals 18-year-old Naomi whose slender figure and sleek black tresses deserve a starring role in any man's fantasy. "Nothing serious — just something glamorous and fun. I like the idea of being a sex symbol to millions of men, so playing the next Bond Girl must be my perfect part." Well perhaps, Naomi, but not from where we're standing! Ⓜ

LISA

You could hardly help noticing that lovely Lisa Thomas from South London bears a stunningly sexy resemblance to her naughty namesake Lisa Bonet, the American film star. "Everyone tells me that," says our own Lisa, smiling coyly from behind her locks of thick black hair. "I even get stopped in the streets by people asking me for my autograph... and other things. Believe me, if I ever decided to say that I was a star, I'd spend half my time on my back making love! I've only really been tempted to fib once, when I was approached by a gorgeous hunk in a nightclub."

So what changed your mind? "I figured I didn't really have to be a super-star to make a

guy think I'm good between the sheets. I'm quite happy with filthy little Lisa from London... and so was that hunky bloke!"

MELANIE

It must be hard for a horny girl to have a sex life when she's still living at home, but Melanie from London has her own way of hiding things that go bonk in the night. "My parents always go to bed at 11 o'clock and their light's off by half past. Then I sneak downstairs and make my way down to the garage where my dad keeps his delivery van. At about midnight my boyfriend arrives with a bottle of wine and a promising bulge in his trousers. Then we spend the whole night screwing like a couple of randy rabbits. It's wonderful, if a little exhausting. In fact we go at it for so long," giggles 19-year-old Mel, "staying awake at work all day would be a real problem — if it wasn't my boss I was with all night!"

DEBBIE

We had always suspected that *voyeurism* must be big in France; why else would they have the only word to describe it? But it took the sexy confessions of dirty Debbie Verbizier from Toulouse to convince us that the girls like to stand back and watch too.

"I learned to make love by looking when I watched my best friend Yvonne play with herself one hot summer afternoon in a hayfield near my home. I was curious to see if other girls did it the same as me," reveals the soft-spoken country girl who tells us that watching a sexy French film is one of her favourite forms of foreplay. "I remember sitting opposite her as she slowly lifted her

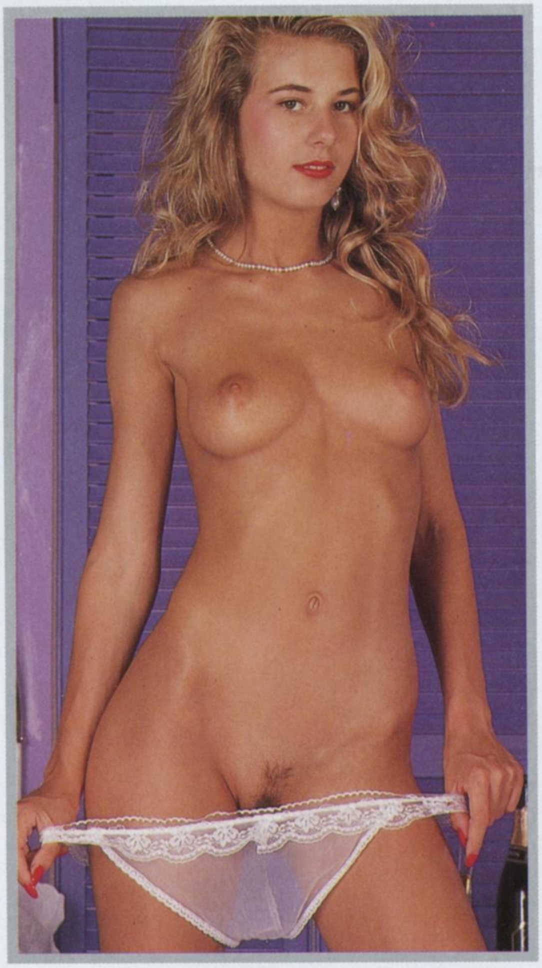
skirt and let her hand slide up her thighs to the thin white cotton of her panties. I watched, how do you say it, mesmerised by her movements. When Yvonne slipped her middle finger inside her pussy I couldn't resist touching myself too and we both came staring happily at the wet, sticky patches between each other's legs."

And how did things progress from there, we asked the naughty 19-year-old? "Not long afterwards Yvonne suggested I should watch her having sex with her boyfriend, and although I was a little shy at first, the experience was worth a few blushes!"



Tracy James

Big-boobed Tracy James has filled most places in *Mayfair*, from the cover to her own special spreads, with her enormous fun-bags and pretty pout. With vital statistics of 40-26-37 last time you saw her, an extra inch up top has made sure

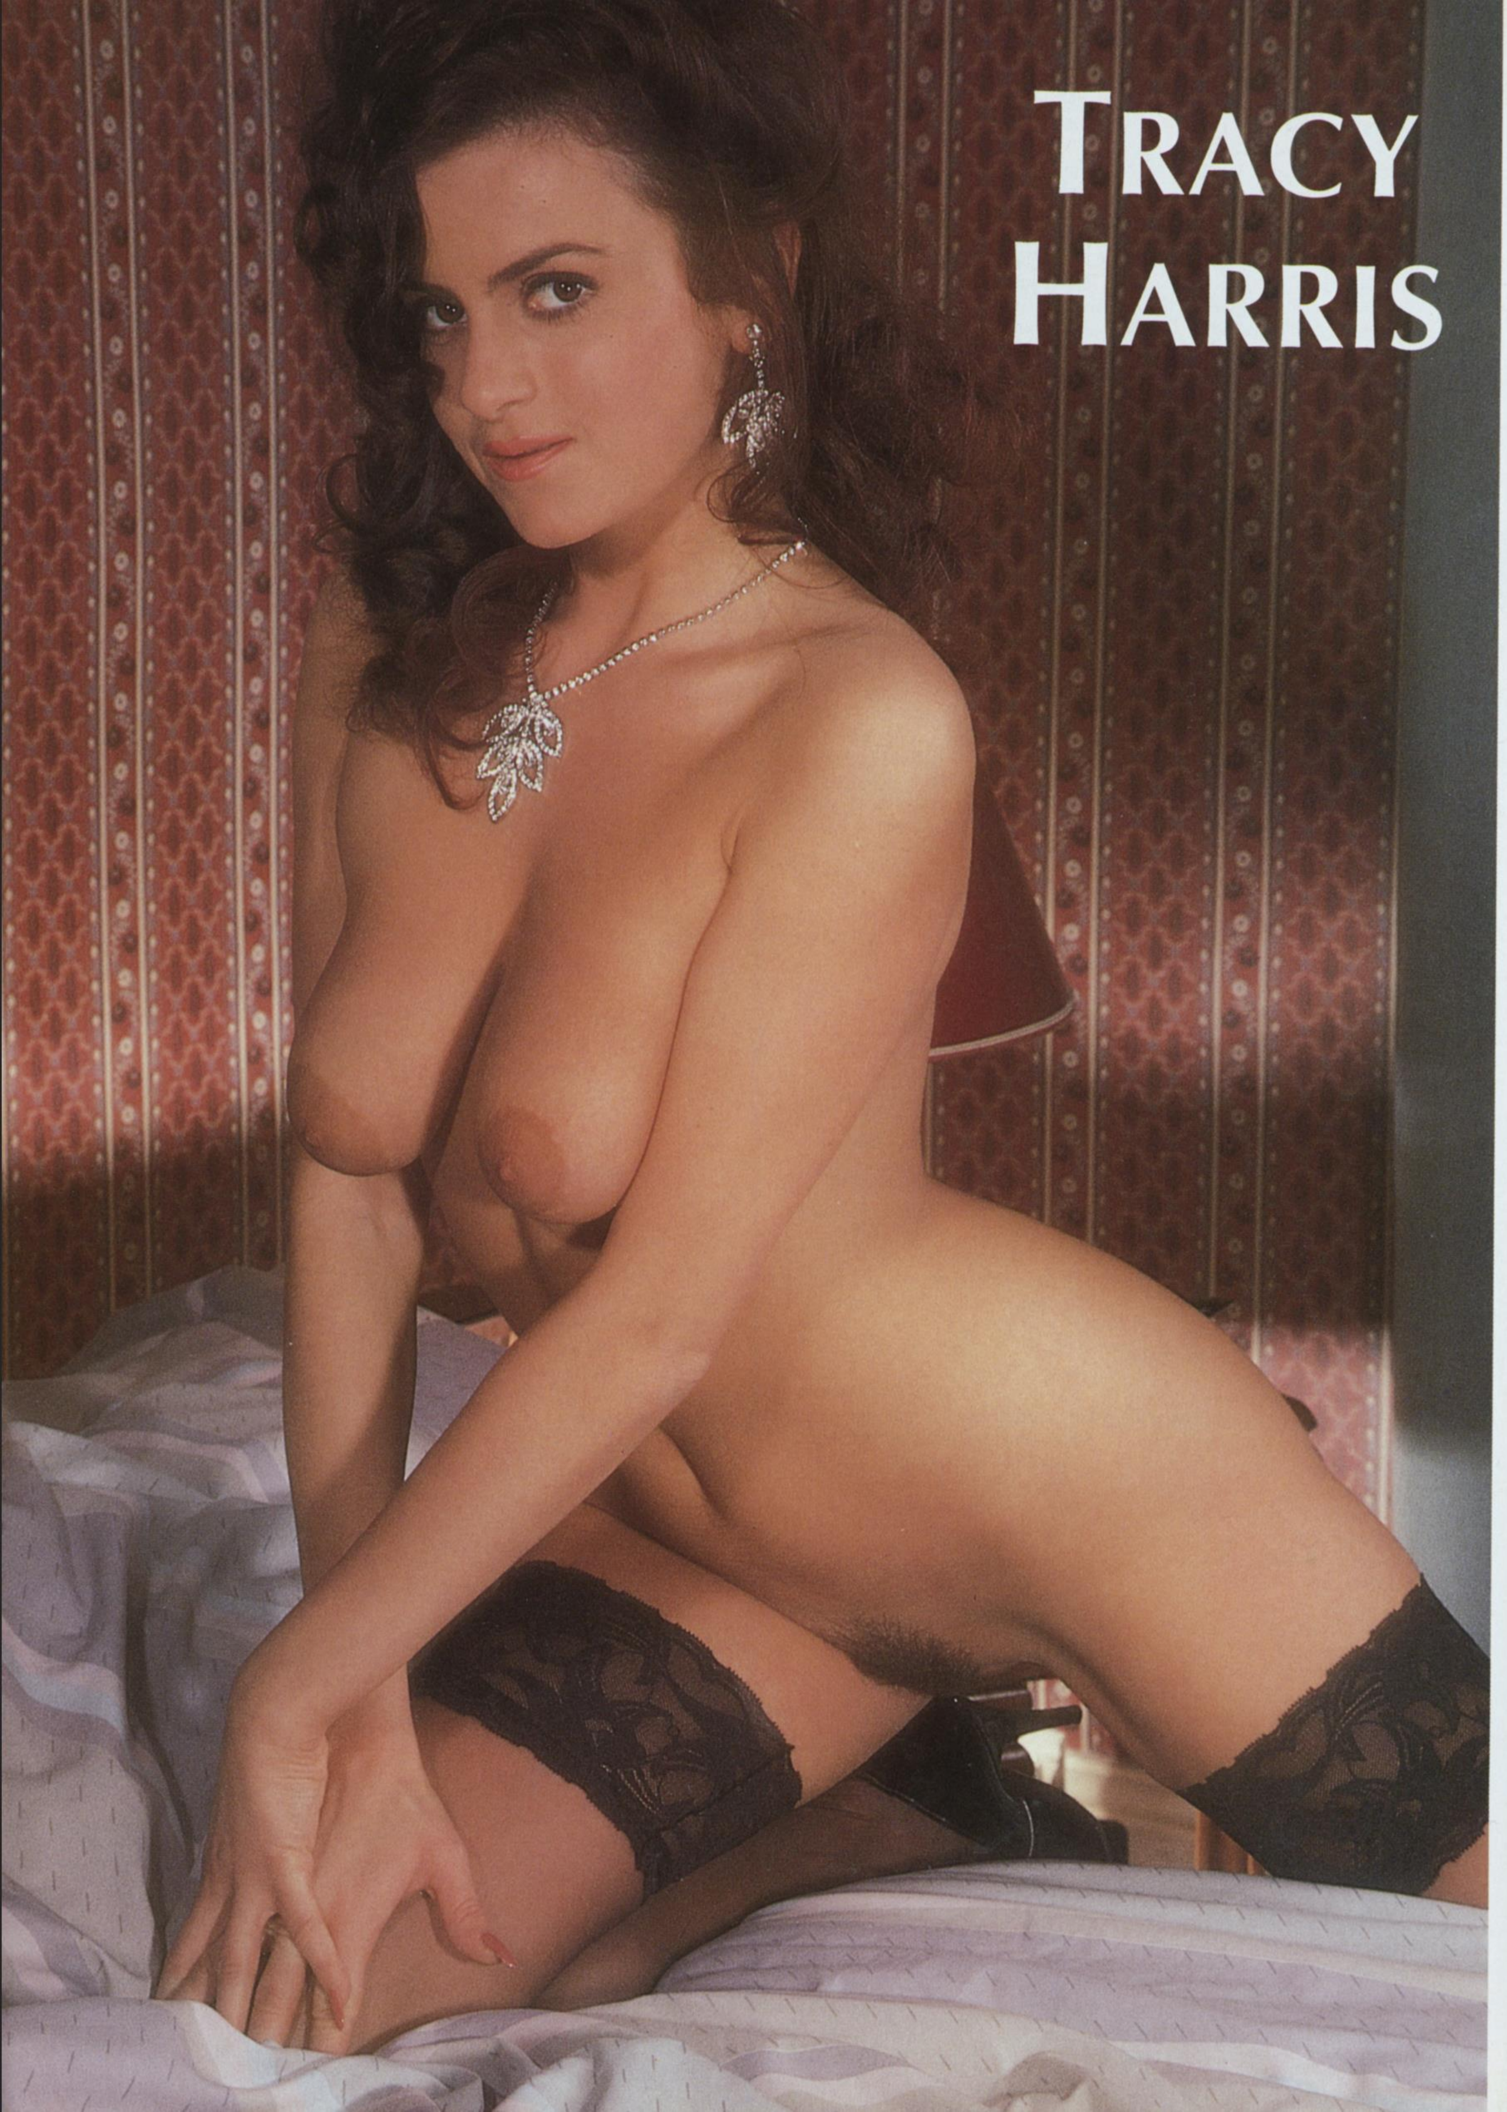
that this time our 20-year-old insurance clerk from Sheffield is getting 'em out for *Bra Bursters*! "I must admit I was stunned when my boobs began to grow again. I thought they'd got as big as they could possibly get," giggles Tracy, who's certainly grown out, if not up, in the public eye. "It must be all the attention they're getting from my fella. But then I suppose having a thirteen stone sales rep swinging off my nipples every night was bound to take its toll eventually!" Ⓜ



TRACY HARRIS

Gorgeous centre-fold girl Tracy Harris is from Chelmsford — but crack an Essex Girl joke within ear-shot of this leggy lovely and the only bang you'll be getting is one on the ear! "I've heard all those stupid cracks and let me tell you, they're wearing a bit thin on me!

"I chose to live in Essex because it's a fun place to go out and the people are very friendly.

"But that doesn't mean I want to stay there forever. I do like to travel and most of all I would love to go to Australia. The problem is I'm not that great at organising myself when it come to taking journies — I have a job just getting into work every morning. You know I think I'd forget where a guy's thingy is if I wasn't thinking about them all the time!"

Photographs by Ralph Medland

giggles the 19-year-old sales assistant, causing her firm boobs to jiggle around beneath her dress. "Cocks fascinate me! Big ones, little ones..."

... Anyone's?

"I wonder if Aussie guys have got different dicks from you British boys. I think I'd better find out before I go. It would be funny if they were on upside down! That reminds me of a joke actually. Have you heard the one about the Australian bloke whose cock was shaped like a boomerang? He kept coming back for more!" Very funny, Tracy, but we'd prefer a good Essex Girl gag any day...

Ouch!

Lucie

Loveable Lucie's legs are so long that an inexperienced lover could quite easily get lost on his way up them. But the search is well worth while, leading as it does to the most perfectly shaped snatch we've seen in some time. "Guys like to spend hours just looking at my bush — but I prefer it when they lick!" says 18-year-old Lancashire girl Lucie. "Nothing compares to having a soft tongue twisting its way through my curls –– except maybe two tongues."

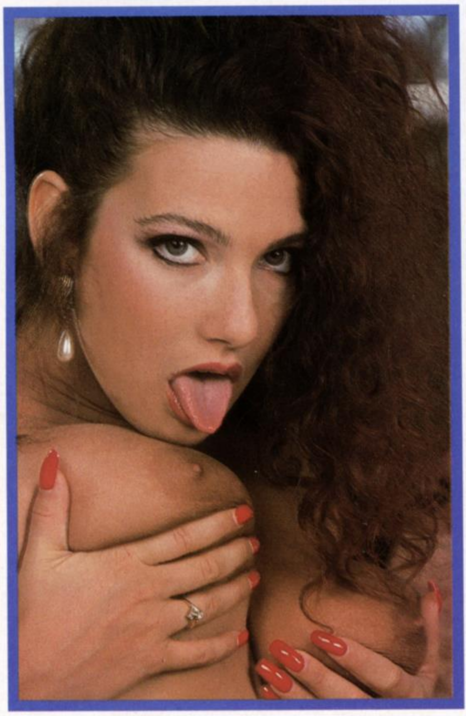
Paula

As you can see, apart from complimenting her curvaceous form and perfectly smooth bottom, balloons are a more suitable setting for 18-year-old Paula than you might think. The hostess with the moistest claims that her lavish lifestyle amongst the jet-set party-goers means she can make all her bashes go off with a bang. "I love to put on dances and do's for my friends, lashing out lots of money on drinks and dips so everyone has a good time," reveals our delightful debutante from the Home Counties.

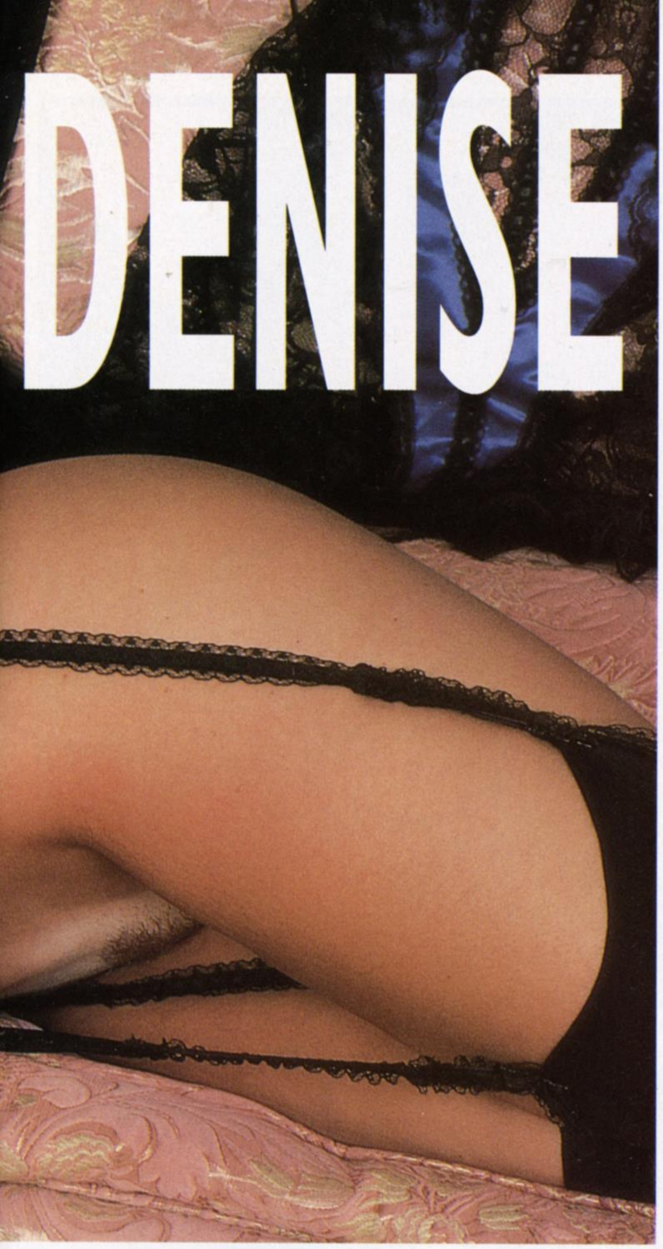
PHOTOGRAPHS BY GERTH SERNELIN

"Most of my pals get so tiddly they never make it as far as the bedroom, but those that do are always rewarded with my sexy strip-show or a bit of lezzie licking from my more frisky friends. My parties can go on all night but most tend to end when us girls have seen to every upstanding man in the place."

Don't the neighbours moan? "Well, they do," pouts Paula, "but only when they come." Ⓜ



DENISE



PHOTOGRAPHS BY KAY FERRIS

Denise is a down-to-earth, dirty little sex-kitten with a job in a mattress warehouse and an appetite for men with dicks "that I can't even get my hand around". So what you see of 20-year-old Denise's well-sprung boobs and comfy bum cheeks is exactly what you'll get if you're lucky enough to come across her in your new double drawer-divan bed one night. Till then, sweet dreams!

KATIA

PHOTOGRAPHS BY
JACK HARRISON

Are you thinking what we're thinking? Well cute Katia hopes so. She says she was so keen to make her naked debut she had these pictures taken on her eighteenth birthday so "I could thrill at the feeling of a million men making love to my body with their minds". Mmm, don't mind if we do! Ⓜ
